Lend A Hand India

Building A Skilled Tomorrow

Lend A Hand India works to integrate skill education with mainstream secondary and higher secondary schooling by setting up skill labs, training teachers, and supporting state governments with technical and project management expertise. Through its various initiatives, LAHI prepares youth for employment and entrepreneurship, while piloting NEP 2020-aligned models in schools across the country.

Building A Skilled Tomorrow

Operationalizing SKILL EDUCATION As per NEP 2020

Experiencing KARIGAR

Let students begin their skilling journey by gaining exposure to any one vocation to understand the world of skilling and hands-on learning.

- ORIENTATION OF NEP 2020 & NCF 2023
- HANDS-ON LEARNING WITH LAB EXPOSURE
- CORRELATION BETWEEN DAILY LIFE AND ACADEMICS
- SKILL-BASED EDUCATION

Grade 6
Onwards

Grade 9
Onwards

Project Based Internships

- LEARN AND GROW THROUGH HANDS-ON, REAL-WORLD EXPERIENCES
- 1 STUDENT = 10 DAYS OF INTENRSHIP
- INTERNSHIP IN ANY 2 VERTICALS

Teachers' Day Out

@ KARIGAR, School of Applied Learning

A fun, hands-on day at KARIGAR awaits your educators—filled with creativity, learning, and new skills to discover!

A brief introduction of NEP-NCF will be given.

We could understand the importance of hands-on experience not only for children but for everyone.

We got to know the need of vocational based courses and its application in today's education system.

Step Into A Day Full of
Creativity and Skill-Building
